RE: Upper Little Patuxent
 Stream Restoration
 Howard County, Maryland
 SHA Contract Number: HO206B21

To Whom It May Concern:

The Maryland State Highway Administration (SHA) has submitted an application to the Maryland Department of the Environment (MDE), Nontidal Wetlands and Waterways Division, for a permit to restore approximately 4500 feet of the Little Patuxent River south of MD144. The proposed improvements will result in permanent and temporary impacts to regulated waterways within the project area.

Since you are an adjacent property owner, you are being notified of the proposed project. Persons wishing to review the design plans or application for this project, please contact the Project Manager, Nora Bucke at 410-545-8643, or nbucke@sha.state.md.us.

Sincerely,

Todd Nichols, Chief
Office of Environmental Design
Environmental Programs Division
